Quantum Coherent Phenomena at Nanoscale

Saturday 22 June 2019

session 9 (11:00-12:30)

time	[id] title	presenter
11:00	[14] Superconductor-insulator quantum transition in extra-long, one-dimensional chains of Josephson junctions	BEZRYADIN, Alexey
11:30	[27] Quantum fluctuations and phase coherence in superconducting nanowires	RADKEVICH, Alexey
11:45	[31] Coulomb drag effect in a system of coupled superconducting nanowires.	LATYSHEV, Alexandr
12:00	[19] Quantum Fluctuation Phenomena in Quasi-1D Superconductors	ARUTYUNOV, Konstantin
