13th Italian Quantum Information Science Conference

Wednesday 13 October 2021

Session 6 (14:30-17:00)

time	[id] title	presenter
14:30	[58] Quantum decay at short, intermediate, and long times: Observation in integrated photonics	PEPE, Francesco
14:55	[69] Entanglement detection in Noisy Intermediate-Scale Quantum devices	VITALE, Vittorio
15:20	[34] Dressed emitters as impurities	LEONFORTE, Luca
15:45	[32] Exotic interactions mediated by a non-Hermitian photonic bath	ROCCATI, Federico
16:10	[2] Few- and many-body photon bound states in quantum nonlinear media	CALAJO, Giuseppe
16:35	[4] Light-Matter interactions in synthetic magnetic fields: Landau-Photon polaritons	Dr. DE BERNARDIS, Daniele
