# 13th Italian Quantum Information Science Conference

## Friday 15 October 2021

### Session 12 (11:20-13:00)

time	[id]	title	presenter
11:20	[53]	Integrated quantum photonics in femtosecond-laser-written devices	OSELLAME, Roberto
11:45	[23]	Fundamental thresholds of realistic quantum error correction circuits from classical spin models	VODOLA, Davide
12:10	[37]	Trapped ions for hybrid quantum systems	Dr. DUCA, Lucia
12:35	[67]	Speeding up quantum annealing: schedule engineering and optimal driving	PASSARELLI, Gianluca
