

## The restless nature of AGN: 10 years later

Contribution ID : 165

Type : **Invited talk**

# Review: AGN Optical/UV Variability: pleasures and pains

*martedì 27 giugno 2023 15:00 (30)*

Variability characterizes AGN at all wavelengths and is observed both in continuum and line emission. My talk aims at giving an overview of AGN optical/UV variability, focusing on the main results and challenges from the past decades.
