The restless nature of AGN: 10 years later

Friday 30 June 2023

Radio loud AGN - Aula Magna (11:30-12:45)

-Conveners: **Maurizio Paolillo**

time	[id] title	presenter
11:30	[64] Review: Multiwavelength variability of radio-loud AGN/blazars	Dr. RAITERI, Claudia M.
12:00	[32] shocks and variabilities in relativistic AGN jet	MELIANI, zakaria
12:15	[167] Flat Spectrum Radio Quasars: 10 years of variability in gamma-ray	PACCIANI, Luigi
12:30	[116] Unveiling the periodic variability patterns of the multiwavelength light emission from the blazar PG 1553+113	ANIELLO, Tommaso
